## **EVALUATION AND MONITORING**

Describe the procedures employed to monitor and evaluate the Educator Induction Program. As part of this process LEAs should systematically collect data on the educator induction program design, implementation, and outcomes. This data may include:

- a. Survey of participants – new teachers, mentors, principals, and other members of the Educator Induction Program to determine levels of satisfaction and to understand the strengths and weakness of the program
- b. Analysis of activities and resources used in the program
- c. Aligned program evaluation instruments that provide quantitative and qualitative data (e.g., survey/questionnaires, individual and group interviews, and observation tools) to determine the impact of participating teachers and their students

## **EVALUATION AND MONITORING**

Assessment of the induction program will be conducted by the LYCO CTC induction committee at the mid-point and end of each school year. Each member of the team will complete an assessment on appropriate forms provided by the LYCO CTC. The induction committee will review the assessment results and agree upon revisions, if any, to be recommended to the superintendent for inclusion in the induction plan. If a concern exists relative to the mentor-inductee relationship, the induction team may recommend to the director that a new mentor be selected.

## DOCUMENTATION OF PARTICIPATION AND COMPLETION

Identify the methods used to record inductee participation and program completion.

Participation	Completion
Mentor documents his/her inductee's involvement in the program.	Yes
A designated administrator receives, evaluates, and archives all mentor records.	Yes
School/LEA maintains accurate records of program completion and provide a certificate or statement of completion to each inductee who has completed the program.	Yes
Completion is verified by the LEA Chief Administrator on the Application for Level 2 Certification.	Yes
Confirm that all first-year teachers are required to participate in the induction program.	Yes

**IF “NO” IS SELECTED, PLEASE EXPLAIN WHAT INDIVIDUALS WERE NOT INCLUDED IN THE INDUCTION PROGRAM AND WHY.**
